Nina and Peta would like to learn acting and singing skills. They'd also like to try a new sport. They're happy to share a room with each other, but not with other people.

A - 'ACTION CAMP'

Learn English where English children also go for their holidays. With '*Action Camp*', you'll spend four mornings a week learning English, using graded tasks and games and acting out everyday situations. The rest of your time you take part in team sports and other outdoor activities. You'll stay with a friendly family who'll entertain you at weekends.

B - 'ALL ROUNDERS'

'*All Rounders*' offers two activities each day. Spend each morning doing football, horse riding, tennis, singing or English lessons and in the afternoon try trips to the cinema, theatre or the seaside. Or go walking in the beautiful countryside around the campsite.

C - 'SPORTCAMP'

'*Sportcamp*' offers teenagers from the UK and abroad coaching from specialist teachers in groups or alone. Five different levels in swimming, athletics, tennis, golf and dance are available. Plus, for our foreign students, English language is studied in a relaxed atmosphere. Share a well-equipped lodge with up to six others.

D - 'SUMMERFUN'

At '*Summerfun*' you stay at the home of a local family with another student in a double room. You take part in exciting sports and water sports as well as other activities including music, dance, singing and drama. Enjoy the beach and all the fun offered by being in a lively city by the sea.

E - 'SPECIAL AGENTS' CAMP'

If you choose to attend a week's training at '*Special Agents' Camp*', you will learn how to use codes for secret messages, make-up and acting skills for undercover work, judo to protect yourself from enemies, and outdoor survival skills such as making fires, climbing and mountain biking, necessary for chasing or escaping. Sleep under the stars in well-equipped tents.
